Malaysia
Truly Asia

Greetings from Tourism Malaysia!

We are so delighted to introduce another hidden gem of Malaysia: the houseboat experience! It may be an uncommon fact that touring around Lake Kenyir and Royal Belum could give another dimension to the holiday experience one can have. Hop on with your family and friends to gather and experience fishing, birdwatching, trekking nearby nature, swimming at various waterfalls, kayaking, and exhilarating boating endeavours.

We hope these offered experiences will open your eyes to the lesser-known side of Malaysia, which you have yet to discover. It is time to come out and expose yourself to a whole new sophistication.

See you!

DATO' DR. AMMAR ABD GHAPAR
